Who are we? A non-profit, family oriented, downhill ski club offering discounted trips to regional ski hills.

Tell me about ski trips. Typically four ski trips each season to a regional hill, for trying other locations with an eye for economy.

What is the Ski Swap? Held in conjunction with Wausau Nordic Ski Club, this swap is open to the public, and a great place to sell and buy new or gently used ski and snowboard gear. Funds are used to subsidize our ski trips.

How do I join? Go to our website and sign up. It's inexpensive and good for you!
